Dear Judge Griesa:

I write on behalf of Plaintiffs in the above-captioned cases. On August 20, 2014, Plaintiffs submitted a letter to the Court regarding Argentina's announcement that it would enact legislation to change the manner in which it makes payments on the Exchange Bonds, in violation of this Court's orders. That letter referenced two statements from Argentine officials—an August 19, 2014 speech from President Cristina Fernandez de Kirchner and an August 20, 2014 statement by Argentine Economy Minister Axel Kicillof—and promised to provide the Court with translations of those statements once they were available. Those translations are now available. Plaintiffs accordingly attach as Exhibit A a transcript and certified translation of President Kirchner's August 19 speech, and attach as Exhibit B a copy and certified translation of a press release issued by the Argentine Economy Ministry containing Minister Kicillof's August 20 statements.
